Climate Action Voucher

An €1,800 grant to engage consultants to identify opportunities for your business and develop plans in areas like resource efficiency, renewable energy, sustainable strategy and the circular economy.

GreenStart

Up to €5,000 support to introduce environmental best practice systems and structures and lay a foundation for future environmental improvement projects.

GreenPlus

Grant funding for 50% of training costs to align to international standards and frameworks and to develop a comprehensive climate change and sustainability plan.

Green for Micro (LEO)

Free pilot programme open to all micro-enterprises via Local Enterprise Offices. 2 days mentoring/consulting over 6 - 12 weeks. Eligible activities incl. Resource efficiency, renewable energy, sustainable strategy and the circular economy.

The **Climate Action Plan 2021** provides a detailed plan for taking decisive action to achieve a 51% reduction in overall greenhouse gas emissions by 2030 and setting us on a path to reach net-zero emissions by no later than 2050, as committed to in the Programme for Government and set out in the Climate Act 2021
